DETAILED ACTION

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: Claims 1-17 have been found to be allowable since the prior art of record either alone or in combination, neither discloses nor makes obvious the combination of a lithographic projection apparatus and corresponding method comprising among other features, a first and a second screens positioned in the path of the beam of radiation wherein the first screen is substantially transparent to the beam of radiation and a positive voltage is applied to the first screen to repel at least a portion of the positively charged particles away from the optical element and a negative voltage is applied to the second screen to repel negative away from the first screen, as recited in the instant claims of the present invention. Applicant's arguments filed January 11, 2005 are deemed persuasive and incorporated herein by reference.

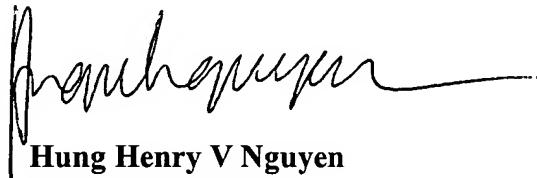

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hung Henry V. Nguyen whose telephone number is 571-272-2124. The examiner can normally be reached on Monday-Friday (First Friday off).
